

## Float Recycling

Clean float by scraping (or waterblasting) & cut in half.

Stack floats in groups of 10.

Tie with lashing, including centre to help with lifting.  
(See photo)

Count and keep a record of the number of floats. You will be paid per float.

To set up an account with Future Post, you will need to provide:

- Name
- Address
- Phone
- Bank Account
- Company (if applicable)
- GST number (if applicable)

Contact Future Post, giving at least 24 hours' notice.
